

PUBLIC MEETING

Do You Want a Local Pub?

Monday 3rd February
7pm

St Mary & St Edward's Church, Church Road

Following the recent closure of the Three Compasses pub in the village, the Parish Council has received numerous messages from residents expressing their concerns about its future.

The pub has been a vital community asset over the years, and the Parish Council would like to extend its sincere gratitude to Rose, the publican, who we hope is now enjoying a well-earned retirement.

The Parish Council has the opportunity to submit an application to register the pub as an Asset of Community Value. The Parish Council believes that demonstrating strong support from the local community will significantly enhance the chances of success.

The purpose of the public meeting is as follows:

- Explain the process of registering an Asset of Community Value
- Give YOU the opportunity to express YOUR views or concerns
- Agree on actions YOU would like the Parish Council to take

Views that have been expressed thus far:

Does a village without a pub have a beating heart?

There would be no centre and nowhere to socialise.

The Pub is an asset to our village community and should be kept

Could losing the pub affect house values?

How can I get involved?

Spare us a half hour; if enough residents want to keep the pub, the Parish Council will do what it can.

Please note the meeting is open to people from outside the Parish to attend so we would encourage you to share the details with anyone who might have an interest.

If you are unable to attend, there will be a precis of the meeting on the Parish Council's website and social media, or you can call the Parish Clerk for a hard copy.
